

Under 18 CAAW Private Accommodation and Minder Nomination Form

Dear Parents,

To ensure that Trinity College can care for your child and issue a COE and CAAW necessary for their student visa, you **MUST** complete and sign the following form and return to the Student Welfare Office as soon as possible. An incomplete form or discrepancy in the Melbourne address provided may slow down the process of obtaining your child's student visa.

Under-18 students are not permitted to live with younger persons or on their own in a private accommodation. There must be an older person (Minder) living full time at the residence, who will take responsibility for them.

In accordance with Australian Government regulations, Trinity College requires that a Minder be:

- 21 years old or over;
- of good character;
- resident of Melbourne;
- willing to accept responsibility for all aspects of the care, accommodation and welfare of the Under 18 student whilst they are enrolled in Trinity Foundation Studies Program;
- must be an Australian citizen or have a valid Australian visa for the duration of the CAAW period, or until the student turns 18; and
- must live full time with the student at the approved address.

Trinity College will conduct an assessment of the nominated Minder and the suitability of the accommodation and care arrangements. The Minder must be available for an interview and consent to a home visit. The Minder will be asked to fill in and sign forms, as well as provide necessary documentation. These forms are available from the Student Welfare Office.

Once approved, the student is required to remain in the care of the Minder at the approved address at all times throughout the CAAW period. Changes of Minder will generally not be permitted unless you apply for and obtain approval from the Department of Immigration and Citizenship.

Trinity College reserves the right to reverse or vary any decision made on the basis of incomplete or false information provided.

Should the Minder or student breach any of the CAAW conditions, Trinity reserves the right to revoke its decision and deem the accommodation, care and/or welfare arrangements as inappropriate and unsatisfactory. This may result in immediate cancellation of the student's visa. By signing this form, you agree to these conditions.
