

TRINITY COLLEGE
THE UNIVERSITY OF MELBOURNE

18 August 2019

Dear Student,

Congratulations on being accepted into Trinity College Foundation Studies **August Main Program 2019**, commencing **Monday, 5 August 2019**. We hope that you will find your time with us at Trinity intellectually stimulating and rewarding.

Enclosed with this letter is the **Orientation Procedures document with maps of the Trinity College Main Campus & The University of Melbourne**. Please read the information carefully.

Parents who are visiting Melbourne during this time are invited to attend the parent information sessions and a campus tour on Monday, 5 August, and a scenic tour of the Yarra Valley on Thursday, 8 August 2019. If your parent/s would like to attend any of these events, please follow the instructions in the Orientation Procedures document and submit their registrations **by their listed deadlines**. **Please note that it is important for parents/guests to RSVP for catering purposes.**

We strongly advise all students to arrive in Melbourne **prior to** the commencement of their course. By arriving early, you will have enough time to organise your accommodation, open a bank account, have your phone connected and shop for any personal items you need. Orientation is an opportunity for you to meet new friends and to settle into your new life at Trinity, and therefore it is essential that you attend **all** activities. Orientation activities are compulsory for all students unless stated otherwise.

The University of Melbourne provides parents the opportunity to receive regular university updates. Your parents can register through <https://study.unimelb.edu.au/connect-with-us/get-updates> to receive this information.

Should you arrive in Melbourne early and have any queries, you are welcome to visit the Trinity College Foundation Studies Reception, Student Hub, located in Gateway Building (Dot No. 10, Reference B13, Trinity College Main Campus Map), open from Monday to Friday between 8:30am and 4:00pm.

If you require any further information, please do not hesitate to contact us. More information regarding Orientation and living in Australia is available on the Trinity website:
