

TRINITY COLLEGE

TRINITY COLLEGE
THE UNIVERSITY OF MELBOURNE

BELONG TO OUR COMMUNITY

**Trinity is not just a place;
it is a community of
scholars and friends.**

It is this academic spirit and friendship that lies at the heart of the Trinity experience and is what makes belonging to our community so special. You will develop friendships that sustain and support you during your time at Trinity, and that endure for the years to come. Enjoy learning and growing, surrounded by other outstanding young people.

STRIVE AND ACHIEVE

Our students are high achievers and know how to balance the demands of their University studies with the excitement of College life.

As the oldest college on the crescent we draw on our rich history and Oxbridge collegiate traditions to offer contemporary intellectual challenges in a supportive environment. Our students thrive academically and personally through our small group tutorial program, our extracurricular offerings, our resident scholars, our wellbeing and chaplaincy teams, and our alumni networks. Come to Trinity and see what we can help you achieve.

EXCELLENCE AND OPPORTUNITY

Our scholarship and financial aid program is generous and inclusive and recognises excellence in all its forms.

We award scholarships totalling \$1 million across all of our programs. We know that scholarships add intellectual and cultural strength to our community by enabling students from a wide variety of backgrounds and with a broad range of interests to join the College.

STRETCH YOURSELF AND LEARN TO LEAD

Act in a play or in theatre sports; sing in the musical, a barbershop group or in the internationally acclaimed Choir of Trinity College; argue your point for the oratory prize or in a comedy debate; take on other colleges in sports.

Join the Ski Club, the Games Society, the Billiards Room or the Sustainability Committee. Grow your leadership skills through our student-led clubs. These opportunities are just a taste of the diverse ways you can get involved and immerse yourself in Trinity life.
