

The College seeks to offer the Trinity experience to the most deserving students, regardless of their financial means, and welcomes students of diverse backgrounds from across Australia and around the world. The generosity of many donors makes it possible for Trinity College to offer a significant number of scholarships. Each year we award \$1.6 million in Residential College scholarships by way of remission of fees. While there are some awards for academic excellence, the majority of scholarships are designated for those who require financial assistance.

To apply for financial assistance toward Residential College fees, complete the form below. Please enclose any material relevant to your application. If you are applying on the basis of financial need, you must provide details of family income and expenditure where asked. Copies of the most recent taxation assessments (Notice of Assessment) for parent or guardian must be submitted, unless you have demonstrated you are independent. All information contain in your scholarship application will remain strictly confidential.

Scholarship applications for students returning to College are due **13 September 2019** and for new students applying for a residential place at Trinity for next year the due date is **30 September 2019**.
