

RESIDENTIAL SCHOLARSHIP APPLICATION FOR 2019

The College seeks to offer the Trinity experience to the most deserving students, regardless of their financial means, and to welcome students of diverse backgrounds from across Australia and around the world. The generosity of many donors makes it possible for the College to offer a significant number of scholarships. Each year we award \$1.6 million in Residential College scholarships by way of remission of fees. While there are some awards for academic excellence, the majority of scholarships are designated for those who require financial assistance.

To apply for a scholarship toward Residential College fees, complete the form below. Please enclose any material relevant to your application. If you are applying on the basis of financial assistance, you must provide details of family income and expenditure where asked. Copies of the most recent taxation assessments (Notice of Assessment) for parent or guardian must be submitted, unless you have demonstrated you are independent. All information contained in your scholarship application will remain strictly confidential. Return a PDF version of this form and supporting documents to The Registrar by email at admissions@trinity.unimelb.edu.au or by post to The Registrar, Trinity College, 100 Royal Parade, Parkville VIC 3052. The deadline for students returning to College is 31 October 2018. The deadline for new students applying for a residential place at Trinity for next year is 5 January 2019.
