WANT TO EXPERIENCE LIFE AT AUSTRALIA’S NO. 1 RANKED UNIVERSITY?

The University of Melbourne is ranked No. 28 worldwide and No. 1 in Australia*

If you are 14–17 and want a taste of university life, come and join our Young Leaders December Program at Trinity College, the University of Melbourne! More than 120 young people from all around the world participate in these fun and life-changing residential programs during the December school holidays.

You will form part of a close-knit mentor group and together you will experience an action-packed program where you’ll discover your pathway to the University of Melbourne and what life is like at a residential college in Australia, enjoy extracurricular activities, and build lasting friendships with students from around the world.

*UK Times Rankings 2012-13

ACADEMIC STREAMS

All academic streams are aligned with the University of Melbourne’s New Generation Undergraduate degrees to give you an idea of where your future studies might take you.

**Arts Stream**

If you’re interested in studying a Bachelor of Arts, this stream gives insight into Art majors, such as psychology, media and communications.

**Fine Arts Stream**

Interested in a Bachelor of Fine Arts? This is the stream for you! Discover a diverse range of art forms, including performance art, visual art, movement and music, writing and public speaking.

‘Young Leaders is the perfect opportunity for young students to develop their character as a leader, to integrate with people from many backgrounds and deepen their thoughts on various world issues.’

SAMUEL PATTINASARANE
Jakarta, Indonesia (The Arts)

**Biomedicine Stream**

Explore the world of medicine and medical research such as genetics, human physiology, human structure and function – discover what the Bachelor of Biomedicine is all about.

**Science Stream**

If you’re thinking about a Bachelor of Science, this stream gives you a taste of engineering majors – chemical systems, civil systems, electrical systems, mechanical systems, mathematics, statistics and physics.

**Commerce Stream**

Explore the fields of accounting, business, economics, finance, management and marketing, and experience a taste of a Bachelor of Commerce.

‘The things I learned here will follow me throughout my entire life – at school or at work.’

SOON LI TING FELICIA
Singapore (Fine Arts)

At Young Leaders I had the opportunity to mix with people of different cultures and races. The speakers were inspiring and I feel motivated to achieve my university goals.’

ANISHA NARESHKUMAR
Colombo, Sri Lanka (Biomedicine)
