Established in 1960, the Dining Hall is central to College life. It is where staff, students, alumni and friends come together as an academic community, to socialise and to share meals.

In December 2017, the Hall will be completely refurbished. This project includes a full renovation of the Hall, kitchen and service areas, the creation of a café, the development of an alfresco dining area extending into the garden to the north, and the provision of improved spaces for the display of our renowned portrait collection.

These plans are central to the College experience – all who make an investment will know they have helped to enhance the lives of all Trinity new arrivals and alumni alike. Supporters who make a gift of at least $1,000 will be recognised with a name plaque on one of the historic Dining Hall chairs.

Gifts of more than $25,000 will be acknowledged on a plaque near the entrance to the Hall.

We invite you to join us and be part of this transforming project.
