OSHC – Overseas Student Health Cover

IELTS – International English Language Testing System

FS – Foundation Studies

ESOS Act – Education Service for Overseas Students Act 2007

TPS – Tuition Protection Service

Census date – The last date a student can withdraw from the course and be entitled to a refund.

Study period – A discrete period of study within a course, namely term, semester, trimester, short course of similar or lesser duration.

Purpose

As an international student, you are entitled under Australian government legislation to receive tuition refunds under certain circumstances. Refund calculations are specified under sections 46D(7) and 47E(4) Education Services for Overseas Students Act 2000 ('ESOS Act') as a result of the Education Services for Overseas Students Amendment Act 2014 ('Amendment Act').

The methods for calculating refunds of fees for these provisions of the Act are set out in the Education Services for Overseas Students (Calculation of Refund) Specification 2014 (refund specification).

If you accept your offer of a place in a Trinity College course and subsequently decide to withdraw from the course, you must notify Trinity College in writing. Refunds are not provided unless you have cancelled or withdrawn from your course.

Refunds are not provided automatically when a withdrawal is requested but must meet the terms of this policy.

Any overpayment of fees will be refunded to you on provision of your bank account details.

You may withdraw enrolment in a course at any point in time. The date on which you withdraw from the course will determine the amount of refund you receive and you may be subject to a cancellation charge as set out in this policy.

If you defer your course before commencement and subsequently submit a withdrawal request, any refund will be calculated based on the date of request for deferral.

If you have a conditional offer but do not meet the conditions outlined in the letter of offer before the commencement date, Trinity College may offer an alternative program. If you decide not to accept the alternative program, an 80% refund of tuition fees paid will apply. If Trinity College cannot offer a suitable alternative program, a 100% refund of tuition fees paid will apply. You must provide your most recent results requested in the letter of offer as evidence or no refund will be provided.

If you are found to have provided false or misleading documents at any time, Trinity College has the right to retain up to 100% of any fees paid and may terminate your enrolment, if you have already enrolled. This includes medical and psychological information, knowingly or willfully withheld or not provided by you which could affect or influence your management while enrolled at Trinity College.

If your enrolment is terminated for breaches of Trinity's Student Code of Conduct or for breaches of the conditions of your Student Visa as set out by the Department of Home Affairs (HA), you are not entitled to a refund of any fees.

If you do not agree with Trinity College's decision about a refund, you may submit an appeal to have the decision reviewed under our *Complaint Policy and Procedure*.

Payment of Refunds

Refunds will be paid directly into your Australian or international bank account, or your parent or guardian's bank account. If you are under 18 years old, refunds will be paid to your parent or guardian's bank account. Refunds will not be paid to an agent or other third party unless they were the original payee. The final payment will be withheld from you until all third-party agreements have been finalised.

Refunds - Prior to Course Commencement

1. If you withdraw from a course, any refund of tuition fees approved by Trinity College will be paid to you within 4 weeks after confirmation of your withdrawal and receipt of your bank details.
2. In the unlikely event that Trinity College is unable to deliver a course in full, in accordance with the provisions of the ESOS Act 2000, you will be offered either enrolment in another intake with TCFS at no extra cost, or a partial refund of the unexpended portion of the pre-paid tuition fees, or we will seek to assist you with a negotiated transfer to an equivalent provider of foundation studies in Melbourne. Only where we are unable to offer you a negotiated transfer to an equivalent provider and program, will we refund tuition fees in full. The refund will be paid within 2 weeks of the day on which the course ceased being provided.
3. Refunds do not include the Enrolment Fee which is non-refundable.
4. The Overseas Student Health Cover (OSHC) will only be refunded if your student visa has not been granted.

5. This agreement, and the availability of complaints and appeals processes, does not remove your right to take action under Australia’s consumer protection laws.
6. Providing that formal written notification of withdrawal has been received and has been approved by Trinity College, a refund of the first instalment of the tuition fee (not including the OSHC and Enrolment Fee component) will be made as follows:

Notification Period	Refund Provided
30 days or more before course commencement	80%
