

Advantage Overseas Student Health Cover

✓ What's covered

Hospital Costs

When admitted to a Members First, Network or public hospital in Australia, in most cases you will be covered for in-hospital charges including:

- ✓ Accommodation for overnight or same day stays
- ✓ Operating theatre, intensive care and labour ward fees
- ✓ Reimbursement on emergency department facility fees at public or private hospital in all circumstance
- ✓ Supplied pharmaceuticals approved by the Pharmaceutical Benefits Scheme (PBS) and provided as part of your in-hospital treatment
- ✓ Physiotherapy, occupational therapy, speech therapy and other allied health services provided as part of an inpatient admission
- ✓ Surgically implanted prostheses up to the approved minimum benefits in the Government Prostheses List
- ✓ Private room where available and clinically appropriate.[^]

Medical Costs

These are the fees charged by a doctor, surgeon, anaesthetist or other specialist for any treatment given to you. You are covered for:

- ✓ The cost of in-patient medical services up to 100% of the Medicare Benefits Schedule (MBS) benefit. This is the amount determined by the Federal Government for a specific service for Australian residents. If your doctor or specialist charges more than the MBS Schedule Fee there will be a 'gap' for you to pay
- ✓ Medical treatment as a hospital outpatient or by a doctor or specialist in private practice anywhere in Australia, for up to 100% of the Medicare Benefits Schedule (MBS) benefit. This is the amount determined by the Federal Government for a specific service for Australian residents. If your doctor or specialist charges more than the MBS Schedule Fee there will be a 'gap' for you to pay
- ✓ Most inpatient or outpatient diagnostic tests recognised by Medicare as medically necessary (e.g. pathology, radiology).

Other costs

You will also receive:

- ✓ Unlimited cover for emergency ambulance services* including emergency ambulance transport and on-the-spot treatment by our recognised providers
- ✓ Selected pharmacy items including discharge medication. You'll receive up to \$50 per script item, up to a maximum of \$300 per person (\$600 per family membership) per calendar year, after you pay the Pharmaceutical Benefit Scheme (PBS) patient co-payment fee. This is provided the item's usage is approved by the Therapeutic Goods Administration (TGA).

*You will not be covered for any non-emergency ambulance services on this cover.

- ✗ Hospital treatment for which Medicare pays no benefit
